

Odisha Console

Odisha Teak Console

Bring elegance and functionality to your outdoor space with the Odisha Buffet Console, a refined piece that combines the natural beauty of teak wood with the strength and durability of a metal frame. Thoughtfully designed to enhance your outdoor dining experience, this console is the perfect addition to gardens, patios, balconies, or any open-air entertaining area. With its sleek, contemporary look, the Odisha Console elevates your space while offering smart, practical storage and serving solutions.

Crafted from high-quality, kiln-dried teak wood, the console top showcases the warm, organic texture that defines fine Indonesian furniture. Teak is known for its exceptional durability and resistance to weather and temperature changes, making it ideal for long-term outdoor use. The white powder-coated steel frame adds a clean, modern contrast while offering extra protection against rust and moisture. Its minimalist design blends seamlessly with a variety of outdoor décor styles—from relaxed tropical settings to modern industrial environments.

A standout feature of this console is the sliding teak top, which reveals a hidden compartment perfect for storing ice, cold beverages, or buffet essentials. Whether you're hosting a backyard party or an intimate outdoor gathering, this feature adds both convenience and charm. The spacious lower shelf offers additional room for storing bottles, dinnerware, or garden accessories. With a sturdy build and well-balanced structure, the Odisha Console is designed to serve reliably in every outdoor occasion.

The Odisha Buffet Console offers more than just visual appeal—it delivers practicality that makes it a long-term investment in elevated outdoor living. Whether for formal celebrations or casual get-togethers, this versatile piece is sure to become a focal point and a favorite among guests, bringing both sophistication and utility to your open-air moments.

Who We Are

As part of the growing furniture Indonesia industry, Baleliving is a trusted partner for a wide range of outdoor furniture projects across the globe. We specialise in producing high-quality teak garden furniture using solid teak wood, crafted in our own workshop with strict manufacturing standards. With large-scale furniture manufacture capacity and consistent quality control, Baleliving has supplied furniture to hotels, villas, and international design contractors. We believe that great furniture is not just about appearance, but also about long-term durability and reliability.
