Lisbon Sofa Loveseat

The Lisbon Sofa Loveseat offers the perfect blend of modern design and natural warmth. This two-seater outdoor sofa is crafted to deliver maximum comfort with a refined, elegant look, suitable for both outdoor and semi-outdoor spaces. Made from solid teak wood, it offers excellent strength and durability in tropical climates, making it ideal for long-term outdoor use.

One of its standout features is the synthetic rattan detail on the sides, adding a unique character and visual lightness to the frame. The back and seat include thick cushions made from weather-resistant outdoor fabric that's UV-protected, quick-drying, and easy to maintain.

Its sleek frame, curved arms, and clean lines provide a soft yet sturdy appearance. Whether placed in a garden lounge, villa balcony, poolside deck, or hospitality space such as a resort or beach club, this sofa delivers both style and functionality. This product is available for bulk orders and is well-suited for commercial furnishing needs. We offer support for custom specifications, scheduled production, and consistent quality control. The Lisbon Sofa Loveseat is a smart solution for outdoor seating that prioritises comfort, durability, and timeless design.
