

Ibiza Sofa

Ibiza Sofa Couch

Experience elevated outdoor living with the Ibiza Couch Sofa, a two-seater teak sofa couch crafted for timeless comfort and style. Part of the Ibiza Set collection, this piece is made from premium solid teak wood, known for its strength and resistance to tropical weather, moisture, and sunlight. With its clean lines and minimalist silhouette, the Ibiza Couch Sofa adds a refined touch to garden lounges, patios, poolside decks, and resort spaces. The frame is finely sanded and finished to enhance the teak's natural beauty and durability. Its angled arms and backrest provide ergonomic support while maintaining a sleek profile.

The sofa includes thick, plush cushions covered in high-performance outdoor fabric. These cushions are weather-resistant, quick-drying, and designed for easy maintenance. The soft grey tone complements various outdoor themes, making it a versatile centerpiece for both residential and commercial outdoor spaces. Whether used on its own or paired with matching items from the Ibiza Set, this teak sofa couch offers the ideal balance of relaxed comfort and contemporary design. It's an excellent solution for hospitality, villa, or private garden projects.

As part of our project-ready outdoor collection, the Ibiza Couch Sofa is suitable for bulk ordering. We support customised specifications, consistent lead times, and scalable production for international buyers seeking high-quality teak furniture solutions. Who We Are

As part of the growing furniture Indonesia industry, Baleliving is a trusted partner for a wide range of outdoor furniture projects across the globe. We specialise in producing high-quality teak garden furniture using solid teak wood, crafted in our own workshop with strict manufacturing standards. With large-scale furniture manufacture capacity and consistent quality control, Baleliving has supplied furniture to hotels, villas, and international design contractors. We believe that great furniture is not just about appearance, but also about long-term durability and reliability.
